

"I have just gotten back from another trip to Colombia, South America. After visiting there I sometimes feel like I am in a prison without walls. I feel happy and become a better person when I am there making new friends and having fun. I hope that if you decide to use my service that I can find you a pen pal that can bring you the same happiness and possibly let your mind go beyond the walls that are currently around you. Take care."

- You **MUST** fill out all blanks that have a ' + ' beside it or your profile will **NOT** be posted.
- Please be honest and sincere in your profile and provide as much information as you can. You are welcome to continue on the back or a separate sheet.
- A photograph is now **REQUIRED** to be listed. You may include up to 3 (they will be returned to you if you include a Regular #10 sized self addressed stamped envelope). Please use a return address, I would hate for your pictures to be lost.
- False information or photographs not of you will result in the removal of your profile.
- **Ad listings are no longer free and must be purchased.** Only \$20.00 for one year, \$30.00 for two years or \$40.00 for a lifetime listing.
- You may send your profile and pictures now without payment, but the listing will not be shown to the public until payment has been received for your name and Department of Corrections number.
- Be sure to make payment payable to: **Abel B Ramirez II** or **ThingzForYou**
- It has been my experience that inmates who list their ads for free to services like mine do not get as many pen pals because people on the outside have to pay to get your mailing address. If you want a ton of letters find a way to pay for your ad and the pen pals will be able to write you for free.
